Please choose your accommodation option; please mention number of days and tick one of the other three options. NZD\$20 (non-refundable) for Maintenance fees and NZD\$100 (refundable) for bond will apply.

NUMBER OF DAYS  
(e.g. one, two, three)

- \$35 per night (no meals) *or*
- 3 Meals: \$15 per day (only meal) *or*
- \$50 per night for accommodation (including 3 meals)

Student arriving with spouse will be provided on campus accommodation in halls only if informed 2 weeks prior to class start date.

**INITIAL**

---

Students arranging on campus accommodation will be required to pay a bond of NZD\$100 per person. Bond will be refunded once student leaves IPU New Zealand accommodation without doing any damage. NZD\$20 is a non-refundable maintenance fee.

**INITIAL**

---

Student travelling with his/her spouse and children need to arrange off campus accommodation by him/herself as IPU New Zealand does not provide facility to accommodate children. Furthermore, families arriving with children will need to organise their own transport, as by law children must be restrained in children's car seats at all times in private vehicles.

**INITIAL**

---

I understand if I travel with my spouse (no children) to IPU New Zealand, we will be provided with separate accommodation in separate dormitories as halls are separated by gender.

**INITIAL**

---

If I need any assistance or advice for temporary off campus accommodation I can discuss this with the Residential Manager by emailing residentialmanager@ipu.ac.nz

**INITIAL**

---

If my family is arriving later, I understand I will need to apply for a 'Letter of Invitation' and 'Letter of Enrolment' at a cost of \$6 from IPU New Zealand as support documents for their visa application.

**INITIAL**

---

I am responsible to arrange my family's health insurance. IPU New Zealand will administer my insurance if I purchase my policy through IPU New Zealand. However, IPU New Zealand will provide assistance for my family's health insurance if required.

**INITIAL**

---

If I cannot arrive at the notified date and time, I understand that IPU New Zealand will not be able to check me in to IPU New Zealand accommodation and I will be responsible for finding alternative accommodation upon my arrival.

**INITIAL**

---

If I decide to stay longer than 2 weeks on campus, the costs are as follows:  
\$400.00 weekly per person for a standard single small room including 3 meals a day.
